The purpose of the CSPPFForums is to provide fellowship and spiritual growth for believers and to serve as a witness to unbelievers who may be seeking to know our Lord.

The CSPPFForums is an inter-denominational ministry, however, we are a Christian ministry. While we encourage every believer to study scripture for him or herself and to question and seek answers, we must draw a line at some point as to what we find acceptable in the teachings on our board. We have outlined the basic beliefs of Christianity, the non-negotiable factors of our faith

WE BELIEVE:

- The Holy Scriptures as originally given, inspired by God, to be the only infallible authority in all matters of faith and practice.
- There is but one God, eternally existent in three persons: The Father, The Son, and The Holy Spirit.
- In the Deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His divine miracles, in His atoning death on the cross, in His bodily resurrection and ascension sitting on the right hand of the Father, and in His personal return to earth in all power and glory.
- The salvation of lost and sinful man comes through the shed blood of Jesus Christ by faith alone, apart from works, and regeneration by the Holy Spirit is absolutely essential for eternal life.
- The Holy Spirit, by whose indwelling in a believer, is enabled to live a godly life, to witness and work for our Lord Jesus Christ.
- The resurrection of both the saved and the lost- the saved unto resurrection of life- the lost unto the resurrection of damnation.
- In the spiritual unity of all true believers, the Church, the Body of Christ.
- That every believer is commissioned to go into the world in the furtherance of the Great Commission (Matthews 28: 19-20)

We welcome those who are not believers to post on our boards, provided they do not promote any doctrine contrary to these essentials.

On the issues not presented here, in which beliefs may vary, we encourage questioning, and thorough study of scripture as well as the sharing of ideas. We ask that such is conducted in the proper manner free of argument and rudeness and that all would seek to learn together with a prayerful attitude.

We ask that believer who post on the BBS remember that you are representing Christ and the things you say and the manner in which you conduct yourself are representative of who you believe Christ to be.

This message boards purpose it to bring glory and honor to the Lord Jesus Christ not to man.

We do not promote the prosperity gospel preachers on this message board. You may not teach this false gospel. There will be no warning from here on, you will be removed from this message board. This is not debatable.

You may not PROMOTE any cult or false religions such as Jehovah's Witnesses, Mormonism, Scientology, Wicca, etc... If you do there will be no warning and you will be removed from this message board. This is not debatable However, we may from time to time have discussion that may include such topics..

This is not a Catholic message board. Don't promote Roman Catholicism on this board. One needs only to know Jesus Christ as their Lord and Savior. He alone can save you and nothing else. We believe in all Ten Commandments here. Especially the second one that the Catholic's removed. And it was written in stone, it states:

Exodus 20:4 -5 (KJV)

Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me;...

I know this commandment doesn't exist in the Catholic catechism, but it is there in the KJV Bible and on the Ten Commandments that Moses received written in stone, by God own hand.

General Guidelines for Posting The CSPPForums is run by a group of moderators who have volunteered to help with the site. In addition to the user agreement, topics or posts which do not follow these guidelines face the risk of being closed or deleted altogether.

1. No trolling. Don't make inflammatory remarks just to get a response. You won't be labeled as a troll if your post has substance.
2. No ad homonym attacks. Criticize ideas, not people.
3. No pornographic, sexually offensive, sexually explicit, or otherwise objectifying material. Goes without saying.
4. Post in the right forum. Keep posts on-topic, relative to the forum it's posted in. That means no movie reviews in the prayer request forum.
5. Respect the privacy of others. Don't post phone numbers, home addresses, pictures, etc., without permission.
6. Each person may only have one account. Each post is logged, and people using multiple accounts may be banned.
7. Don't bring up old threads. If you want to reply to an old thread (over 45 days), please start a new thread and reference the old thread.
8. No spamming. Don't flood the board with commercial posts, or otherwise useless material.
9. No solicitation or commercial advertising. Our message boards are for discussions, not to sell goods or services. If you would like to advertise, please contact us for an advertising package.
10. Use descriptive subject lines. This makes it easier for people to see what your post is about, and reduces the chance of double posting.
11. No foul language. Cussing will not be tolerated. Use a thesaurus if you can't express yourself without swearing.

Moderator Functions

Moderators have the ability to do the following functions.

1. Close Thread. Prevents further replies to a topic or thread. This is done if the thread is a duplicate, if there is nothing constructive to be said on the current subject, or if a thread has been moved to another forum. As an example, threads that are trolling for people to respond will most likely be closed.
2. Move Thread. Moves a thread to another forum more suitable for the current discussion. This may happen in the middle of a thread if the discussion has ventured off topic.
3. Delete Thread. Done in the most extreme case, this function completely removes the thread or post from the message board.

General Guidelines for Moderating

Moderators have their own guidelines too, in addition to the rules above.

1. Don't close or delete threads you don't agree with. Rather than censoring a post you don't agree with, reply with your own constructive counter-argument / criticism.
2. Don't delete threads. Use the Close Thread function instead. Threads or replies should only be deleted if it blatantly goes against the posting guidelines. Use your judgement.
3. Post a notice when moving threads. If you feel that a thread belongs in another forum, post a notice before you move it. Just so people know where to look.
4. Take part! Just because you are a moderator doesn't mean you can't take part in a discussion. Try to facilitate a discussion.

If you feel a member or moderator is not following these guidelines set out, please contact the christianSocialpagesPlus@gmail.com with the appropriate details.
