```

[Verse]

```

G                Em
Letting go of every single dream, I lay each one down at your feet,
C                D
Every moment of my wandering, Never changes what you see,
G                Em
I've tried to win this war I confess, My hands are weary I need your rest,
C                D
Mighty warrior, king of the fight, No matter what I face you're by my side,

```

[Chorus]

```

G                D
When you don't move the mountains I'm needing you to move,
Em                C
When you don't part the waters I wish I could walk through,
G                D
When you don't give the answers as I cry out to you,
Em                C                G                D
I will trust, I will trust, I will trust in you,

```

[Verse]

```

G                Em
Truth is you know what tomorrow brings, There's not a day ahead you have not seen,
C                D
So in all things be my life and breath, I want what you want lord and nothing less,

```

[Chorus]

```

G                D
When you don't move the mountains I'm needing you to move,
Em                C
When you don't part the waters I wish I could walk through,
G                D
When you don't give the answers as I cry out to you,
Em                C                G                D
I will trust, I will trust, I will trust in you,

```

[Verse]

```

C                D
You are my strength and comfort, You are my steady hand,
Em
You are my firm foundation, The rock on which I stand,
C                D
Your ways are always higher, Your plans are always good,
Em                D
There's not a place where I'll go you've not already stood,

```

[Chorus]

```

G                D
When you don't move the mountains I'm needing you to move,
Em                C
When you don't part the waters I wish I could walk through,
G                D
When you don't give the answers as I cry out to you,
Em                C                G                D
I will trust, I will trust, I will trust in you,
